**From the President**

We held a very successful AGM last Friday night, thank you to all members who were present. Welcome to all our new office bearers for the coming season and a big thank you to those who are stepping down. Most notably, Tommo has stepped down from Club Captain and Jody Ballard will be taking up the mantle – big shoes to fill Jody, I'm sure you will bring to this role the same level of enthusiasm and expertise that you did as Life Saving Officer. Adam Bennett has nominated for the position of Life Saving Officer and I look forward to working with Adam in his new role. We are holding an induction meeting for all our office bearers on Wednesday evening 4 July from 7pm in the hall, and I look forward to seeing you all there. Thank you to Glenda, Sharon and Donna who provided us with hot beef rolls, to Sam who once again looked after the bar and to Wendy who did the membership registrations. The Annual Report is available in the office during office hours or from the shop on Sunday.

This weekend we will be seeing some IRB action on the water, we've all been watching the training sessions on Sunday mornings and this weekend will be the IRB State Titles at Scarborough. Good luck to our teams, I'm sure all your hard work will pay off. We will be holding a players tea on Friday night in the club bar for the IRB competitors and we will be having a few drinks and a sausage sizzle in the boat shed with presentations on Sunday afternoon all members are welcome to both events, it would be great to see a huge cheer squad from Scarboro.

See you on the beach

Elise Irwin

## Jane, my hero

On Saturday morning I went shopping at the Ripcurl Shop in Scarborough with my wife Karen to get a present for Meg who was turning 16 on Monday 25<sup>th</sup> June when we bumped into my hero Jane.

Jane was going to get coffees with her Dad who is very proud of his baby.

Jane is the ultimate package – fit alpha female, happy friendly nature, fire fighter, has won a world title, great ski paddler.

Jane was dressed up to impress the blokes – check out those boots WOW.

Attracting blokes is like fishing, depending on what bait you use will result in what fish you catch.

I can only assume that Jane was out fishing with those boots trying to catch a macho Construction Worker or a Lumber Jack.

I can just imagine the scene when Jane in those boots walks around the corner and there is a macho Construction Worker or Lumber Jack and they cast their eyes over the vision of their perfect woman heading their way, boots and all.

They would be doing back flips from the excitement that the adrenaline kick would give them seeing their ultimate woman, boots and all.

Lucky for those blokes that Jane is very proficient at CPR because if the excitement was too much for them seeing the vision of their perfect woman caused their heart to stop then Jane can spring into action and bring them back to life with CPR.

I wish you Jane all the best with your fishing quest and hope you land that Big Fish you are after. Those BOOTS should do the trick.

Regards Stephen Llanwarne
