

# Seniors Membership information booklet

(14years and up)

## **Seniors Membership information booklet (14years and up)**

Welcome to Scarboro Surf Life Saving Club. Scarboro caters for the elite athlete down to the social members who just enjoy the beach environment. There are lots of opportunities to get involved in the club and we welcome any help we can get from all of our members.

Our core business is saving lives on the beach and to do this we need lots of qualified members to take part in patrols on weekends and public holidays from October to the end of March each season. We pride ourselves on being actively involved within the community and providing a safe environment for the bathing public. All of our members are volunteers, including our executive committee members and office bearers.

Please read below to find an outline of each category available at our club:
