# JUNIOR NIPPERS UPDATE: Nicole Tolev and Belinda Somers

[juniorofficer@scarboro.com.au](mailto:juniorofficer@scarboro.com.au)

"No WAYS are they beating us!"

*Imagine how much fun we will have when the weather is actually good...*

Week 2 of Scarborough SLSC Nippers and we had another great day on the beach! (if not quite in the water) Big thanks to our Age Group Managers and their parent helpers who combine their skills and imagination to put together an engaging and informative program.

I was impressed by the parent sprint event aka run as fast as you can to the clubrooms when it rains carrying as many bags as you can.

Also suitably impressive was the sausage sizzle team. Thanks Liz and her under 12 team. They have set a high standard for sausages.

Special mention to George and Chris. This week they turned their skills and talents to sorting out board racks. Giant thanks to Jacko for donating materials.

We have a few dates to remember....

The **HALLOWEEN SPOOKTACULAR TONIGHT** social event .... TONIGHT, Friday 26th at our fabulous new club!

Proficiency swim for those that missed it will be held this **Sunday 28th commencing at 8.30.**  
**See Nicole on pool deck.**

Our new membership officer (we welcome Wendy to this role) will address the nipper parents on the nipper lawn at 8.45 Sunday morning.

Remember to check Team App. This is our one stop shop for communication.

Looking forward to improved conditions next week.

## EDUCATION – Current BM and SRC Candidates : Belinda Somers

We currently have a very large group of new lifesavers going through their SRC and Bronze Medallion training.

We have combined the two award groups for ease of training and so our dedicated group of trainers don't end up training every day of the week!

Currently 53 candidates are attending training twice a week learning all the vital skills to make them 'rescue ready' lifesavers on our beach - rescues, radios, resus and first aid being the most important skills.

Thank you to our trainers for teaching our group of 29 13 and 14 year olds these essential skills, and assisting them get their SRC certificate.

The kids are doing a great job applying themselves to these new skills and looked impressive in their fluoro pink vests on the beach last weekend - lots of smiles and laughs while they learn to negotiate some BIG waves with various success.

# CANTEEN NEWS & ROSTER – Janet Hall

## Canteen News

The new **Scarboro Beachfront Café** is now almost completely operational. Our espresso machine is churning out lovely hot coffee and hot chocolate, but please be patient with us, as we are all still baristas in training.

The canteen also offers –

Pies	\$3
Sausage rolls	\$2.50
Toasted ham & cheese croissants	\$3
Homemade scones	\$1.50
A selection of cakes and slices	\$2
Jellied fruit cups	\$2
Magnum and Drumsticks	\$2.50
Icy poles; Potato Chips and Choc Chip Cookies	\$1
Mars Bars, Snickers, Smarties	\$2
Coffee & Hot Chocolate	\$3 or \$2.50

Coming soon – bacon and egg toasted sandwiches.

We are also still looking for more volunteers to help out between 8:30am and 11:30am on Sunday mornings. This is a great way to help your club and meet other club members. There is no experience required and all volunteers get a free morning tea.

Please see the roster above if you think you can help out. Just contact me (Janet Hall) on 9409 7115.

At this stage I have tried to get 3 volunteers every Sunday, however with the popularity of our coffee we may need 4 helpers on each session.

# ANNUAL STREET APPEAL – 30<sup>th</sup> November '18 – Elise Irwin

## Save the Date - Annual Street Appeal – 30 November 2018

Friday 30 November is our opportunity to participate in the Annual Surf Life Saving WA Beach Appeal.

Last year we had fantastic support and members raised over \$5000 for our club.

We are asking members to assist again and red mark the date in your calendars.

It's a great way for members to contribute and there are lots of ways to get involved and support our club. Here's just a few:

- **Street Appeal**, aka tin rattling - get your teams together, patrol outfits on, and meet and greet Perth's commuters and office workers.
- Host a morning tea
- Promote Boardies day (school or business)
- Or simply, take a tin to work.

This annual fundraising day is highly promoted by SLSWA and all funds raised by our club stay with our club.

Plus all fundraisers can nominate the area of the club they wish to fundraise for and 60% will be attributed directly to that area to buy area specific equipment.

You can sign up as a team or individual and let us know how much time you can give us on the day, we'll give you a choice of locations and support during the day. Our club will have assigned locations in the City, Karrinyup Shopping Centre, Train Stations and Scarborough Esplanade.

Please email [eliseirwin@bigpond.com](mailto:eliseirwin@bigpond.com) with your details and availability. Let us know if you are fund raising in a team or if you want to collect at your work place.

## Boardies Day – Through December

This is a great opportunity for schools and work places to get involved too!

Simply nominate a day for your organisation to wear boardies, coloured zinc, a hat or colour for the day or host a morning tea and ask your co-workers/students to bring in a donation.

Online registrations can be made at: <https://www.beachsafeappeal.com.au/boardies-day>

Any group registering for Boardies Day can choose the club they wish to support. If they choose Scarboro SLSC, our club will receive all the funds they raise.
