"ECHO" CLUB NEWSLETTER

PRESIDENT'S PEN – Jody Ballard
president@scarboro.com.au

From the President

We are only 3 weeks away from our Annual Street Appeal and Boardies Day, having reinvigorated this event for us last year Elise Irwin is back at the helm and coordinating our efforts across the Club and the community. To find out how to get involved in raising vital funds for our Club, check out the article later in the Echo.

Round 1 of the Senior Carnivals kicks off this weekend, good luck to our members competing at Fremantle this weekend; this is closely followed by our Nippers who will be heading North to the Alkimos Development Carnival on Sunday 18 November.

Whilst on patrol Sunday morning it was a great chance to observe the Club activities on the beach from afar. We had activities from Brighton drain through to the on beach patrol tower, with members ranging from 6 years into their eighties, there can't be many organisations that welcome such a diverse range of members and provide a place for them in the community.

It'll be a very early start for some of our Scarboro SLSC members on Monday morning as they make their TV Debut during a Live Cross-Over with Channel 9 for the Weather and News reading. This is a national campaign to Launch the "tart of Summer" and the importance of the community service we deliver to the public, fellow beach-goers and our members, giving a great opportunity to showcase where we are situated and our new location along the Scarborough Esplanade.

Louise Momber, will be interviewing our Jones Family, as a *feel good family generation* story. While Kelly Haywood will do live cross-overs to Angus McMillan as *Youth Life Saver of the Year* and some of our upcoming Little Nipper U9 State Championship winners with their Age Group Manager, Natalie Alco, these enthusiastic upcoming future Life Guards will also be doing a Flag Demonstration (all winning a flag on National TV of course) before crossing over to Dave Kelly, the Fisheries Minister and Chris Peck from SLSWA, talking about Drone Patrol on the beach.

Live cross overs will commence after *Angus has his Hair & Make-Up* done with Lou at 5:30am, with the first broadcast at 7:00am, with cross overs at 7:30am; 8:00am and finally before wrapping up at 8:30am with our Little Nippers.

ANNUAL STREET APPEAL – 30th November '18 – Elise Irwin

Save the Date - Annual Street Appeal – 30 November 2018

Friday 30 November is our opportunity to participate in the Annual Surf Life Saving WA Beach Appeal.

Last year we had fantastic support and members raised over \$5000 for our club.

We are asking members to assist again and red mark the date in your calendars.

It's a great way for members to contribute and there are lots of ways to get involved and support our club. Here's just a few:

- **Street Appeal**, aka tin rattling - get your teams together, patrol outfits on, and meet and greet Perth's commuters and officer workers.
- Host a morning tea
- Promote Boardies day (school or business)
- Or simply, take a tin to work.

This annual fundraising day is highly promoted by SLSWA and all funds raised by our club stay with our club.

Plus all fundraisers can nominate the area of the club they wish to fundraise for and 60% will be attributed directly to that area to buy area specific equipment.

You can sign up as a team or individual and let us know how much time you can give us on the day, we'll give you a choice of locations and support during the day. Our club will have assigned locations in the City, Karrinyup Shopping Centre, Train Stations and Scarborough Esplanade.

Please email eliseirwin@bigpond.com with your details and availability. Let us know if you are fund raising in a team or if you want to collect at your work place.

Boardies Day – Through December

This is a great opportunity for schools and work places to get involved too!

Simply nominate a day for your organisation to wear boardies, coloured zinc, a hat or colour for the day or host a morning tea and ask your co-workers/students to bring in a donation.

Online registrations can be made at: <https://www.beachsafeappeal.com.au/boardies-day>

Any group registering for Boardies Day can choose the club they wish to support. If they choose Scarboro SLSC, our club will receive all the funds they raise.

SWIM/BOARDS/IRONMAN TRAINING : Warren Jones WaterCaptain@scarboro.com.au

The board racks have filled and there are more racks on the way but until then no more private boards can be stored. Any requests for a board rack must first come to me and please do not just pay the rack fee and notify me after. Priority will be given to members who are training and competing.

SLSWA State team selections are based largely on 3 carnivals - the first being this Sunday at Leighton, then a water event only carnival at Mullaloo on Dec 2 and the carnival at Trigg on Dec 16. Information for these can be found on SLSWA website <https://www.mybeach.com.au/members/surf-sports/competitions/> under circular 18.

SLSWA have launched their own Team app and I'd recommend everyone to download it for up to the minute info on carnivals and everything else.

Good luck to all the competitors on Sunday at the Leighton carnival and a big thanks to the IRB crew who are fulfilling Scarborough's water safety commitment. We also require 1 more member to stand with a tube in the Youth arena from 7:45- 10:15am. This can be split between a couple of people. Please let me know if you can help out? I'll bring a tube down.

Training continues Tues: Irons ; Wednesday and Friday: Boards at 6am and Sunday 8-9am. There will be training at the club this Sunday for those not competing and the weather looks good.

Assistant PATROL OFFICER : Jen Blair patrolofficer@scarboro.com.au

Well done to those teams that made it through yet another cold, windy and sunny weekend! TC and I noticed that some members that weren't wearing their patrol caps whilst on patrol – please remember to do so, as this is an indication to all members of the public that you are on *DUTY* and it makes us all look professional.

Just a reminder that the following patrols are on patrol this weekend:

- Saturday 08:30 – 13:00 Patrol 6 (*Adam Watts*)
- Saturday 12:45 – 17:30 Patrol 5 (*Peter Hulkenberg*)
- Sunday 08:30 – 13:00 Patrol 8 (*Sharon Walshaw*)
- Sunday 12:15 – 17:30 Patrol 7 (*Angus McMillan*)

Friendly reminder that the Street Appeal is coming up on Friday 30 November 2018. If you have a couple of hours to spare to help support the club and Elise Irwin please let us know. Elise's email is elise.irwin@bigpond.com

A huge **THANK YOU** to all the PC's and Assistant PC's that turned up for our in-house training session last Friday night, where we were given an in-depth session on the use of the New Patrol App – special mention to Pether Hulkenberg for his time and professional presentation. A few giggles and laughs were shared we the "dummy-patrol-log" wasn't actually a dummy-log but a live patrol and we were happily logging some patrol hazards such as Sharks, Crocodiles, Helicopter Rescues on the beach and warning systems were being sent out to everyone.

If you have any queries please don't hesitate to let TC and myself know.

Have an awesome rest of the week, team, and I will see you on the beach this weekend!

JUNIOR NIPPERS UPDATE: Nicole Tolev juniorofficer@scarboro.com.au

We had another great morning on the beach with lots of activity in the water and on the sand. The feedback about our new position on the beach has been very positive, especially flags in the Amphitheatre showcasing our nippers. It's great to hear the positives.

Thanks to our expanded group of volunteers this season, helping with equipment and the sausage sizzle means that we are getting set up quickly and fed afterwards! If you haven't offered to help yet, don't be shy, ask your AGM or just pitch in, especially at packup time.

There was a bit of extra excitement last weekend with Channel 9 setting up on the grass and handing out free hats, sunscreen and milk drinks. We thank them for the ongoing support of our club.

Ongoing thanks to Belinda and her board crew who have put in literally immeasurable hours to get our equipment sorted, repaired, replenished and stored safely and securely. Special mention to the two equipment fairies who seemed to magically repair fins on the run Sunday, so the boards could get back out on the beach. Just a reminder that once our boards are back on the trailer at the end of the session, they are not to be taken out again. Could all parents please remind their children and help us by instructing anyone on a club board after the session without their AGM to return it immediately. This is particularly true for the youthies, you should not be on any of our equipment, no matter how tempting.

Keep an eye on Team App, and start thinking about Jacko Day where we have a traditional, friendly competition with City of Perth. This will be held at Scarborough on November 25th. See you on the beach.

Club Office Relocation

We are still finalising the relocation of our staff and office equipment from Surf House in Balcatta to our new Scarborough Club Office. Please bear with us when trying to get through as we are finalising the install of telephones and computers.

If you need to contact the office over the next week or so, please send an email to Kerry adminofficer@scarboro.com.au or Sharon functions@scarboro.com.au and they will then call you as soon as they are back near a phone.

Thanking you all in advance!!
