## ECHO – CLUB NEWSLETTER

### PRESIDENT'S PEN – Jody Ballard

Welcome to the first Echo of 2019!

This weekend sees the Club's 91<sup>st</sup> Anniversary Breakfast taking part at the beach level of the Club from 8am. Just a year ago we marked our 90<sup>th</sup> anniversary with a breakfast in the same location having moved in a month earlier to the operational beach level of our buildings. Accessible to us at the time as just the gear sheds as we were surrounded by construction works on all sides as the builders pushed on to complete as much as they could in time for Aussies 2018. What a difference a year makes!

This weekend we will also be joined by the Boab Network from the Mowanjum Aboriginal Community for their third visit as to Scarboro SLSC. The Mowanjum Aboriginal Community is located some 2,500km north east of Scarborough on the WA/NT border. This education and engagement experience for Year 11 students aims to support their development and further their education ion the community.

As a Club we have also reached another milestone this week with the ending of our temporary office at SLSWA Balcatta and the moving of all our member services to the upper building at 163 The Esplanade, Scarborough. It will be great to have Kerry and Sharon together in one place and I know after 2 years in Balcatta Kerry can't wait to get set up and open for business in her new home.

Disappointingly on the weekend a call to arms had to be issued after the afternoon patrol was left light on members, thank you to those who stepped up to the mark and filled the gaps. We are now conducting a down hours review and will be removing access to Club facilities for those who have not met their patrolling obligations shortly. If you are down hours due to missing a patrol and want to retain use of the Club facilities then now would be the time to sign on and get those hours made up!

See you at the anniversary breakfast on Saturday.  
Jody

For those who didn't RSVP you can still join us and pay the \$10 on the day, don't miss out.

### **Australia Day Long Weekend Sundowner – Friday 25 January**

The Club bar will be open and Australian themed songs will be on for the night. Why not come on down and enjoy a sunset drink with friends and bring plate down or order in from one of the local businesses. Remember you can sign in up to 5 guests on the night too so what a great way to show off the best sunset location in the west.

## **W.A. SURF LIFE SAVERS 25 Year Club**

This club came into being in 1972 with the late Bill Kidner being the enthusiastic catalyst behind its formation. The inaugural meeting took place at the North Cottesloe Surf Lifesaving Club on Wednesday 27<sup>th</sup> 1972. It is unique to W.A. so far, with no other club like it in Australia's surf lifesaving circles.

The club is open to all members that have received the SLSA 25 Year Service Award or above or have completed at least 25 years of service with their club.

The objects of the WA Surf Life Savers 25 Year Club are:

1. For members to participate in a wider association while still retaining interest and support for their own clubs, it promotes the comradery of all surf lifesavers and helps to relive the great years of friendship and fellowship with social events being offered during the year.
2. To foster good will and social activity among present and past surf lifesavers who qualify for membership under its constitution.
3. To always support the Junior movement of Surf Lifesaving and work with Surf Lifesaving W.A. in promoting this area of development.

The cost of membership is \$10 annually and contributes to the running of our club.

With regards to social events the club tries to organise sundowners at different surf clubs throughout the year as well as utilising the barbeque area at Surf Lifesaving W.A. in Balcatta. The costs to members are always kept to a minimum. In past years we have been able to have a buffet dinner at the Hillarys Yacht Club. This has acted as the club's end of season dinner. Members partners are always welcome.

It is always a privilege and an honour to associate with our surfing mates and ladies.
