INTERNATIONAL SCHOOL
of WESTERN AUSTRALIA

Every day around the country lifesavers rescue 30 people and they conduct 451 preventative actions every hour. Thanks to the efforts of our members at Scarborough and around the country we ensure people who visit a lifesaver patrolled beach return home safe to their families.

Sadly on Sunday 21 April, [two Victorian lifesavers from Port Campbell SLSC paid the ultimate price](#) when attempting to rescue a tourist who had got into difficulty on an unpatrolled stretch of coastline. As an organisation, we should be immensely proud of their selfless dedication to serving the community. The Port Campbell SLSC and the wider lifesaving community, will we share a deep sadness from Sunday's incident.

The [SLS Foundation has set up a donation portal](#) to support the families of the Port Campbell SLSC lifesavers if you wish to make a personal donation in support.
