"ECHO" CLUB NEWSLETTER

The Date has finally arrived. We look forward to your attendance at this event ...

Rendezvous Hotel @ 6:30pm for pre-dinner drinks!

PRESIDENT'S PEN – Jody Ballard president@scarboro.com.au

Just two more sleeps to go until one of our most anticipated events of the year, our Annual Dinner and Awards night. 125 of our members, sponsors and invited guests will celebrate the achievements of our first full season in our new Club facilities. Good luck to our members who are are finalists in our Annual and Coveted Awards, not long to go now until we find out who the winners are.

Despite the change in seasons and the weather the Club remains a hive of activity on a Sunday morning with training, Polar Bears and social catch ups firmly locked in over the coming months. Behind the scenes, planning is underway for our upcoming AGM, which will be announced shortly, and a busy-bee to complete our winter maintenance tasks around the Club. Stay tuned for updates on both of this in due course.

Bicycle, bicycle, bicycle!

Just like Queen, I don't believe in Peter Pan, Frankenstein or Superman. All I wanna do is...Bicycle, bicycle, bicycle...out of the Club and into the bike racks provided! A number of our members have decided that anywhere but the bike racks are where they should be storing their two-wheeled friends, we are finding them in the gym, in the changeroom corridor and blocking emergency equipment around the Club. Given our access control system and CCTV coverage, it is exceptionally easy to identify and deal with the offending members. Bikes will be removed if placed in the Club buildings so bring your lock and use the racks provided.

Security

Over the last week, we have had two incidents of theft of money from members belongings whilst left unattended in the changerooms. We are in the process of reviewing the CCTV footage and access control records to identify the perpetrator, in the meantime though we ask our members to do the following:

- Use the lockers provided for valuables such as money, phones and keys at all times;
- No wristband, no entry – members in the gym or change rooms should be wearing their access fob-bands to aid in identifying non-members on-site;
- Ensure all internal and external doors close and are secure behind you when on-site or leaving;
- Watch out for tailgaters following you in and persons coming in through the gym; and
- Be vigilant around the Club.

See you Saturday at the Rendezvous, and maybe Sunday at the beach!

POLAR BEARS : Kathy Brooks – 5th May 2019

Well, the weather started out looking fantastic on Sunday morning as we arrived at the beach, but by the time Polar Bears had begun clouds had gathered and conditions were looking particularly gloomy. A cold front brought in some large sets of waves, though this did not deter many of the hardy polar bears -with over 20 swimmers completing the course.

In B grade, we saw a fantastic effort by one of our nipper swimmers: Charlotte Hoy, to complete the course accompanied by her dad Ben. The official handicap race results were 1st Marissa Welch, 2nd Avril Cummings, and 3rd

Brian Hall. A special mention goes to another nipper swimmer: Chiara D'Alessandro who also put in a great effort to swim in wintry conditions – well done!

A grade was hotly contested, with most of the field waiting at the second can for just the right wave to catch back to shore: Ben Jonson took line honours, followed by Graham Snook and then Graham Jones.

Grant Stephenson has taken some great photos and videos of the morning, accessible at this Dropbox link:

Thank you again to the IRB crew and Stu King on the jet ski for doing water safety. All club members and spectators are welcome at Polar Bears at 10am each Sunday morning.

Kind regards

Kathy
