“ECHO” CLUB NEWSLETTER

PRESIDENT’S PEN – Jody Ballard

president@scarboro.com.au

In these days of fast-paced ever-changing technology, it is inevitable that we hit the odd technology pothole along the way. Last week we attempted twice to send the Echo out due to an error message when sending in SurfGuard, suffice to say some of us received two copies, others no copy! For those who missed out, we always have a backup on the Club [website](#) or via [TeamApp](#) published each week too.

On Tuesday we issued a formal notice of our Annual General Meeting which went out as planned, thankfully. Our AGM will be held on Friday 5th July 2019. The meeting will be held at the Scarboro Surf Life Saving Club, 163 The Esplanade, Scarborough, commencing at 6:30pm.

A draft agenda for the evening has also been circulated earlier this week, the Board now requests from Voting members, any Notices of Motion on business to be considered at the meeting. Such notices shall close with the [Director of Administration](#) on Friday 7th June.

Continuing on with business matters the Board is seeking feedback from our members on the Club as a whole via our [Member Engagement Survey](#). This survey was last run two seasons ago when we were in our temporary container home looking towards our future and the development of our strategic plan. The survey is an important gauge of the health of the Club for the Board as we look to develop a sustainable well-engaged membership active membership.

The survey is mobile friendly and can be completed in around 6 minutes, so can easily be completed on the bus or train to work or school, over a coffee or when you have idle time and your phone in your hands. The survey will remain open for the next two weeks, closing Sunday 9 June 2019.

Congratulations to all our Club Champions, summer trophy and points score winners who will be presented with their winner's towels and trophies after Polar Bears this Sunday 26 May at approximately 10:30am down on the Nipper Lawn. Unfortunately, I am over in Sydney for work this week and will be catching up with some Eastern States lifesavers on the weekend so will miss out on the presentations.

Have a safe and sunny weekend in Perth.

Jody

POLAR BEARS – By: Kathy Brooks

Polar Bears - Sunday 19/5/2019

Again, the weather was fabulous for Polar Bears – blue skies, sunshine and crystal clear water. Numbers were down a little due to Run for a Reason, or perhaps not wintry enough conditions for the hardcore competitors.

The B- Grade race was won in great style by Roy Thompson, almost overtaken by Marissa Welch in second, with Trina Cullen in third place.

A grade first place went to Lynette Hewitt, in second place was Stefan Delac and in third place: Janet Stephenson.

Marissa ; Roy and Trina

Stefan ; Lynette and Janet

Thank you to our recorder, timekeeper, water safety personnel and canteen staff.

Polar Bears will be on again next Sunday, 10 am, all welcome!
