## “ECHO” CLUB NEWSLETTER

### PRESIDENT’S PEN – Jody Ballard

On Saturday I had the pleasure of attending the Rotary Club of Scarborough’s change over dinner which I can best describe as a combination AGM and Honours night. The outgoing President Paul Barfoot gave his review of the season before passing the baton onto Jim Joseph their President-Elect. Stretching back over five decades the Rotary Club of Scarborough have been long term supporters of the Club, I was therefore honoured to receive a further donation from them for just over \$7,000 to purchase five new rescue boards for training our next Bronze Medallion and Surf Rescue Certificate candidates in the 2019/20 season.

Sixty members have taken the time to complete our [Member Engagement Survey](#); sadly with over 600 youth and adult members, we are only hearing the feedback of 10% of our membership! The survey remains open for members to complete and is an important gauge of the health of the Club for the Board, please take six minutes out of your day to complete it, the survey is mobile device friendly.

Good luck to our members who are finalists at the SLSWA Awards of Excellence on Saturday night, we all have our fingers and toes crossed for you.

- AGL Lifesaver of the Year Angus McMillan
- Support Operations Marty Robinson
- Volunteer of the Year
- Trainer of the Year Belinda Kuster
- Patrol Cub of the Year Scarboro SLSC

Sunday after Polar Bears finishes we have our Busy Bee at the Club, if you are free then come on down and lend a hand, we’ll be firing up the BBQs to feed our hungry workers too. As a result of the Busy Bee, the Club operational yard will be closed on Sunday so if you are planning to collect boats, skis or boards for use on Sunday this will need to be done on Saturday instead.

See you down the beach on Sunday

Jody

## POLAR BEARS : Kathy Brooks [kathy\\_brooks@iprimus.com.au](mailto:kathy_brooks@iprimus.com.au)

Polar Bears Sunday 2/6/2019

So now it's officially winter in Perth, but Polar Bears conditions remain fantastic: blue skies, sunshine crystal clear water. It was another stunning Sunday this week.

Unfortunately this week's photos have got stuck somewhere in the wires of the internet, so I have had to make do with some standard images – use your imagination to picture the Scarborough Polar Bears in this photo:

Calm conditions, and of course excellent handicapping, meant that there were close finishes in both divisions this week – the B grade race was won by Peter McDonnell, with Anne Marie O’Donovan in second, and Bob Welch in third place.

A grade was won by John Snook, 2nd place Sharon Walshaw, 3<sup>rd</sup> Janet Stephenson.

Could all swimmers please remember to wear a high–viz singlet when swimming – if you have forgotten yours perhaps you could borrow one from those in the division before/after you, or buy a new one at the club.

Thanks again to our water safety, timekeeper, recorder, canteen staff and handicapper.

## IRB Water Safety Roster for POLAR BEARS SWIM

**PLEASE NOTE, YOU WILL NEED TO FIND A CREW PERSON.**

If you are unable to find someone to crew for you, please let me know and i will organise someone for you. If you are unable to complete your rostered shift, please find a proxy.

The swim starts at 10am but please ensure you arrive with enough time to set an IRB up (I would suggest arriving at 9.30am).

- 16/06/2019: Damian O’Donnell
- 23/06/2019: Simon O’Rourke
- 30/06/2019: Jarrad Read

Kind Regards
