

# Scarboro Surf Life Saving Club

## “ECHO” CLUB NEWSLETTER

### PRESIDENT’S PEN – Jody Ballard

It has been nice to be back home in WA after a busy week away with work in Sydney, it appears the two cities have been battling it out with unseasonably good weather the last few weeks. Sunday morning looks to have some [fun conditions](#) for Polar Bears with waves up to 2 metres forecast, I will be down this week to watch them in action. Don't worry I don't intend to be disgracing myself in the IRB again just yet!

Tuesday night saw our joint meeting of the Board and the Club's appointed officers for the season ahead, it was great to see so many members put their hands up for these roles as they really do help drive and deliver the outcomes on the ground. During the evening we looked at our [Scarboro 100 Strategic Plan](#) and how our appointed officers would be contributing to our three key areas of:

- Saving Lives;
- Sustainable; and
- Developing Our Members.

Our officers will now be developing plans through their relevant committees to lift our performance in each of the above areas during the season ahead as we work on becoming a better surf life saving club for 2019-20.

See you down the beach.

Jody

Polar Bears – Sunday 28/7/2019

This week’s swim was in sunny but cool conditions – it was much warmer in the water than out of it. There was a great turn-out of swimmers – about thirty people in total. B grade was won by Jacqui Schuster; in second place was Ben Hoy, narrowly beating Charlotte Hoy in third.

A grade was won by international competitor David Hall, making a guest appearance, second was Graham Jones and third was Ben Johnson.

We were very honoured to have international guests at the beach this Sunday: students from Journey Hall English Conversation School in Japan, who are visiting Perth for two weeks with the David and the Hall family. Welcome to Scarborough!

## IRB Water Safety for Polar Bears Swim – Emily Regan

Hi All,

I hope everyone had a lovely weekend.

Just thought I'd send a reminder with the upcoming polar bear water safety shifts.

Please ensure you find a crewman and arrive at 9.30am to set the course and allow enough time to set an IRB up.

All members must be **financial** to assist with water safety, so if you haven't done so already, please jump onto the portal and pay your fees. If you aren't continuing as a Scarborough member, please contact me so we can organise a replacement.

Emily Regan

EMILY REGAN | IRB OFFICER | Scarborough SLSC 2019/20

Polar Bears Swim IRB Water Safety Roster		
Date	Time	Name
28/7/2019	10am	Jai Ward

Hi All,

Thank you for volunteering your time for Friday nights at the bar!

If you cannot make your shift please arrange a swap with another member.

If you would like to become a volunteer you can contact me on
