

Scarboro Surf Life Saving Club "ECHO" CLUB NEWSLETTER

PRESIDENT'S PEN ~ Jody Ballard

This weekend will see the Club and Scarborough Beach alive with activity as there will be Surf League on the Saturday and a Senior Carnival on the Sunday. I'm looking forward to seeing some of our up and coming young athletes competing on the Sunday on their home beach just in front of Sunset Hill.

Events kick off with Jose and the 2x 1km beach relay runners at 7:15am followed by March Past, R&R and then onto the full program from 8:30am on the beach and in the water.

We cannot run our Senior Carnivals without the support of a workforce and it always seems to be the same few faces on the beach at any event helping with set up and pack down. It would be great to see more hands to help out, we especially need volunteers from 6-10am and then from 10am-1pm, if you are able to assist then please let Angus know and head down to the Nipper Lawn to join the team.

On Sunday we had the pleasure of hosting our newest Club sponsor Rocky Bay, who came down to see Ali and the Starfish Nipper program in action. We are one of only three WA Clubs to offer this program to young people and the only one north of Perth to do so. It was great to receive feedback and advice as a Club from Rocky Bay and to see the program being appreciated by the participant's families too both in person and in the local press.

I'm back from my travels and looking forward to being back on the beach on Sunday for a busy action-packed day. Parking will be at a premium this weekend so please consider alternate options if available for getting to the beach.

Senior Carnival at Scarborough Surf Life Saving Club : 9/02/2020

Dear Members,

The club requires some assistance with the set up and pack up of the carnival being hosted at Scarborough Beach this Sunday the 9th of Feb. It will just be general carnival on-beach set up and pack up as we have done in previous years. There are three shifts available:

- Saturday 8/2/20 9am – 12pm
- Sunday 9/2/20 6am – 10am
- Sunday 9/2/19 10am – 1pm

If you are available to assist with any of these times please email me at: beachoperationsdirector@scarboro.com.au or message on 0474 297 812.

Thanks for your assistance!

RACE SECRETARY – Tanya Channell

What a great turnout for our annual Club Championships last Sunday! Under perfect conditions, although I am sure a few would have liked more of a wave, it was awesome to see so many people having a go and we got some fantastic results as well! Congratulations to everyone who took part and especially to the crowd that gathered for the beach flags, plenty of cheering and good vibes.

Huge thanks to Brian Hall for starting all the races and arranging the start line, definitely could not have done it without you! Thanks also to Jane Harwood and Brad Aggiss for helping to lay the buoys to set the course.

Well done to everyone and I look forward to the trophy presentation towards the end of the season.

The results (subject to confirmation of final eligibility) were as follows:

"STARFISH NIPPERS" – Ali Nielsen StarfishNippers@scarboro.com.au

This week was a special week for Starfish Nippers as we had a special visit from our sponsor for the program, Rocky Bay. It was great for Rocky Bay to be able to see the program in action and have the opportunity to discuss how the program is running.

The conditions were perfect for the Starfish Nippers this week, allowing us to spend majority of the time in the water, which all of the kids loved! A special mention goes to Andre who entered into the water on his own for the first time and swam all the way to the bank, well done you superstar!

All of the Starfish Nippers had the opportunity to practice their swimming skills as well as their body surfing skills, as the conditions were fantastic! A special mention goes to Amy who was also a star in the water this week, practicing jumping over the waves and going into the water independently, well done!

All of the kids also had the opportunity to go onto the pontoon, and had the opportunity to catch waves altogether as group, which was so much fun! Again, a massive shout out to all the volunteers who helped out with the program, you were all amazing, so thank you!

The story about the Scarborough Starfish Nippers program.

Nippers provide happy experience

ON seeing your article about the Scarborough Starfish Nippers program, which provides surf awareness skills to children with special needs, I contacted the club and joined the program.

I have never had any exposure to a surf club before and new experiences for my daughter can be very challenging, so I wasn't sure what to expect.

What my family discovered was a club that is so welcoming and embracing of all abilities.

We rarely feel true acceptance in the community, but we certainly do within the Scarborough Surf Life Saving Club community.

I have been so touched by surf club members who have very generously volunteered their time to help all the children experience the joys of the beach.

The program has a variety of engaging activities and the children are having a wonderful time.

A special thanks to Ali Nielsen, who is doing such a wonderful job as co-ordinator. Her enthusiasm to see all children reach their full potential is very inspiring.

Woodside NIPPER NEWS – Nicole Tolev juniorofficer@scarboro.com.au

It has been great to see the slowly increasing number of Nippers taking advantage of the free training sessions run by volunteers. These will help you as a lifesaver and as a competitor. Check out team app and get down to the beach or the river. Try to RSVP if you can so the coaches can cater appropriately.

Our Little Nippers will be using some of these skills this weekend at their carnival at Leighton. Good luck to the team and thanks to the parents volunteering to officiate and provide water safety as required.

This Sunday at Scarborough we have a senior carnival, so the Nippers are running a shorter modified program. Parking will be very challenging, consider carpooling or public transport. Check the beach for your age group flags and be patient as we are not sure what the morning holds for us. AGMs will email their groups anything specific if necessary.

Quick reminder: please get your state qualifier entries to your AGM ASAP.

Our next few weeks are getting really busy so please check all ways of communication and stay in touch with your AGM. See you on the Beach!

Board, Ski & Swim – Warren Jones watercaptain@scarboro.com.au

There is a big weekend of surf sports happening at Scarborough Beach this weekend with the second round of the Surf League on Saturday commencing with the boats at 8:15am followed by beach and water at 9:45am. Please drop by to check the action and cheer on Scarboro.

Then it's the Senior carnival on Sunday at Scarborough Beach in front of Sunset Hill with the inaugural 2 x 1km beach relay at 7:15am followed by March Past and RnR before the beach and water kick off at 8:30am. This is a fundraiser for the club with all entry fees going to Scarboro. We will need all officials and a workforce to help run the carnival so please come down to help out.

It would be great to see as many members on the beach supporting our mostly young group of competitors.

Saturday 15th Feb sees our RnR, belt race swimmers and Rescue tube rescue competitors head to Mullaloo for the State championships. We need linesman for the belt races so please let me know if you can help out.
