

Scarboro Surf Life Saving Club

"ECHO" CLUB NEWSLETTER

JUNIOR OFFICER – Graham Jones

Welcome to all our returning nipper members and new members and families who joined us this weekend at a fantastic registration day! Thank you to all those involved in the organisation and workers on the day, I saw lots smiling and tired faces taking advantage of the bouncy castles!

I'm taking on the junior officer role as of this week and appreciate the dedicated work of Nicole and Belinda before me and appreciate their support during this handover period. I have a lot of learning ahead of me and appreciate the support of all the junior crew team members who will assist us throughout this season.

Surf lifesaving is a fantastic healthy pastime and I look forward to making as many opportunities as possible available to our nipper members and their families. We will receive support from the club

but will also require commitment from our families in order to conduct our programs throughout the season. Thank you in advance as I will be relying on volunteers to make this season as successful as possible.

This year we would like to encourage participation, whether that be on Sunday morning activities, educational opportunities, training, or competition. Heath Wright will be coordinating some junior surf sports coaching. We will have some discipline specific coaching sessions with some specialists to build confidence and skills throughout the season. More information will be shared in coming weeks.

Lastly, I would like to introduce Chenoa Wright who will be taking care of a lot of behind the scenes administrative, scheduling and communications tasks. You may hear from Chenoa soon! Thanks Chenoa.

We are still short an U10 age group manager so if anyone is keen please let me know. Also if there is an area you feel you may be able to assist whether that be gear and equipment, coordinating the sausage sizzle, maintaining and supporting our officials, set up pack up or something I'm yet to think of again please reach out.

Yours on the beach

Graham Jones
