

Scarboro Surf Life Saving Club

"ECHO" CLUB NEWSLETTER

PRESIDENT'S PEN – Jody Ballard

Just over a week to go until our [Woodside Nipper registration day](#) on Sunday 23 August from 10am-2pm where we will have a fun-filled morning with lots happening around the Club. We'll have the BBQs fired up, merchandise shop open and lots happening at beach level on the Nipper Lawn, with registrations being taken in the upper building.

For existing families looking to renew before the day, avoid the queues and secure their spots, you can do so online via scarboro.com.au/renew. Families are still capped at \$420 maximum representing great value for a summer of fun at the beach for the whole family.

Tuesday night saw our first Board meeting for the season with our Board & Officer combined meeting being on Tuesday 18 August. Following AGM the Board has appointed Marnie Glasson to the vacant role of Business Development Director.

Marnie is a new but old member, having been a member of the Club in the 1990s before moving over east, back in Perth now Marnie can be found at the Club with her daughter in Nippers. With a background in marketing, and experience in community, government and corporate settings Marnie brings a wealth of knowledge and experience to the Board.

Today I had the pleasure of speaking at the Rotary Club of Scarborough's weekly breakfast meeting, which is hosted at the Surf Club each Thursday. Both organisations have shared a history of community service for over five decades, with that relationship continuing into the future. It was great to share the work of the 2019/20 season, our achievements as a Club and how they have contributed to them. Just in the last year, Rotary has contributed life jackets for our Starfish Nipper program, six new rescue boards for patrols and additional Nipper boards too.

See you down the Club over the weekend.

POLAR BEAR RESULTS ~ Brian Hall

See you this Sunday, 16th August at Scarboro for our Polar Bear SWIM. Thanks to all those who went to Trigg SLSC last Sunday for the Annual Swim-Off 😊 unfortunately it was cancelled due to the BiG swell.

Everyone is welcome to come and join in the club swim on a Sunday morning starting at 10.00am.

U14 CADETS ~ Nicole Tolev | Belinda Somers

On Saturday 12 of our new seasons Under 14s met for a swim, socialising and a sausage. It was a great turnout and we welcomed back a few friends that we have not seen for a while... and by the noise in the pool we were all VERY excited to catch up.

Our swimming was pretty good with most of us showing that we were way above where we need to be to attain the SRC time. Winter swimming at their different squads is obviously paying off for those partaking in this. This age group continues to excel at relays and fun events in the water. What most impressed the coach was the groups' collective ability to chat about everything from math's test results to socks ... and still get the instructions right.

We finished the day for those that could stay with a sausage (Chris is in pre-season training), a fine display of some dance moves, the entertainment of someone trying (luckily unsuccessfully) to throw his towel onto the top of a sculpture and an ice cream.

Next Saturday we are hoping to have a board paddle weather permitting. We have had brilliant luck with the weather, here is hoping it lasts. Please watch TeamApp to see when and where.

If you haven't joined us for anything yet, you are more than welcome to come on down. Our sessions cater for everyone of every skill level and fitness. All you need to survive is a sense of humour. (And please pay your fees for insurance purposes.)

Thanks to the parents for juggling your family commitments and chauffeuring the kids around, and your general and generous support. It's appreciated.!
