"ECHO" CLUB NEWSLETTER

PRESIDENT'S PEN – Jody Ballard

Events of the last week at Scarborough have certainly shown that we continue to play an important role in the community outside of our normal Club activities. Following the first calls for assistance to locate a missing person on Monday night, supporting WA Police to set up an incident control room at the Club, through to the ongoing search support provided throughout the week, we have come together as a Club at this challenging time. Unfortunately to date, the 16-year old has not been recovered.

Whilst a search for a missing person and recovery operation is never pleasant, the work our members perform is essential to providing closure for the affected families and forms an integral part of our service as a club to the wider community.

Should you feel in any way affected by the search or recovery process, or know of anyone who may be affected, the club has two (male and female) designated Peer Support Officers who are skilled at providing confidential empathetic support and are at your disposal.

Please do not hesitate to reach out to either:

- Gill De Cruchy-Alco - 0422 337 868; or
- Micky Girando - 0407 276 637.

My thanks to all our members for their support and efforts this week, for your help with logistics and supplies, relocating or cancelling training at short notice, checking in on those involved and one-another, and offering a hand day or night.

Never have the words of Helen Keller been so true as now, "Alone we can do so little; together we can do so much."

Jody Ballard

RACE SECRETARY ~ Tanya Channell

Last weekend we saw lovely conditions greet us for the swim, a longer course than usual and I had various comments about the distance, mostly positive 😊

Well done to all the marchers from Secret Harbour that made it back in time for the swim, it was a nice morning for drive. Huge thanks to Dave Irwin for delivering the reel and also not leaving it down there.

We had a newcomer take out the swim this week, it is always great to see new faces turning up and awesome to have the 8 under 14s who participated this week:

- **1st** - Anthony Teoh
- **2nd** - John Snook
- **3rd** - Daryl Enriken

The long-run was dominated by the under 14's, even the ones that ran the extra distance:

- **1st** - Alex Thompson
- **2nd** - Jack Wibrow
- **3rd** - Patrick Knight

A small field of 3 for the sprint:

- **1st** - Adam Cousins
- **2nd** - Jody Ballard
- **3rd** - Jose Desfosses

Huge thanks to Scott Hawkins for being my special guest organiser, just in case I did not get back in time. Thanks Scotty.

This week we have the **McGovern Marathon**, and this trophy was donated by a Scarborough businessman. This is a multidisciplined marathon that consists of, a surf swim, 250m wade and beach run from Scarborough to Floreat beach drain in the soft sand and back, on the bank if you wish. The course has been altered many times over the years as the beachfront has been developed.

I am looking forward to a good turnout for this and hopefully some new faces and great weather.

See you on the beach!

Boatie News – Jess Knox-Rafferty

Secret Harbour

On Sunday the Boat section was well represented with 5 crews making the trip to Secret Harbour for Round 1 of the Navy Series, and the first carnival to earn points for State Team selection. In the women we had the **Sunsets**, **Shadows**, **Storm** and the **Surfettes** (u19) and competing in their first carnival ever the U19 men **Scarboro Sharks**. We kept both Dave and Doyley busy, sweeping all 5 crews between them.

All crews competed strongly. Both the Surfettes and Sharks finished 2nd in their age group finals, they then went on to compete in the Opens as well. It was a lesson in surfboats for the Sharks with a couple of equipment issues during the day, but they kept their cheery demeanour and rowed well. The Surfettes had a great day out making the A final along with the Sunsets. With a change in conditions the finals were held in tough conditions with the Sunsets

finishing 2nd after rowing well throughout the day, and the Surfettes 4th. The Shadows and Storm also performed well, with the Shadows making the B final and finishing 6th with a sideways manoeuvre towards the end.

A great day out all round with plenty of racing experience gained. Crews are continuing to train and are looking forward to the Carnival being held at home on December 6th.

Secret Harbour Carnival Update

Our under 14s had their first hit out at a Senior carnival on the weekend at Secret Harbour. We were joined by the older and much wiser under 15s in the Youth Arena and the group was 18 athletes strong. It was exciting to see multiple competitors in nearly every under 14 and 15 event on the beach, and in the water and Scarborough represented in all team events, often by multiple teams. (The increased Scarborough presence was noted positively by other Clubs and Officials.) If there was a wave of the day award it went to Cristo for his effort in the final stages of his board race. This goes to show the value of board training and hours catching waves with friends and family.

Well done to all our competitors, and your give it a crack attitude.
Special mention to Jacinta... first year in surf club and straight out into the action.
Thank you Warren for coming along, staying the whole day and sharing your expertise.
Thank you Belinda for the gentle nudges of kids into teams, making sure everyone had a go and had fun.

And to the "Scarboro faithful" ... the parents in the tent, 'it takes a village...' and it sure is one happy and entertaining village under the Scarboro tent. The support for all the youth athletes is fabulous. (Special note: watch those under 15 mums and their pre race dietary advice...)

WOODSIDE NIPPER NEWS – Chenoa Wright

Nipper News

There is a lot of excitement going around with our 2020 Woodside Nipper group (U10-U13), getting ready to compete at their first carnival for the season.

We have a strong group of **46 Scarboro** Competitors heading up to Alkimos to have a lot of fun competing at the Development carnival.

Heath will be heading down at the crack of dawn with the boards on a trailer, and setting up nice an early to get us a prime position on the beach with our shade tents.

Your Age Group Manager will let you know what is required for the Carnival and answer any queries you may have about the competition.

It should be a fantastic day for kids to meet other Woodside Nippers in their age group, have a bit of fun, and exert a lot of energy.

Good luck team Scarboro!!!

Pizza and Movie Night for the Nippers

The pizza and movie night for the nippers was such a hit thanks to Kirsty and Alana for all their hard work.

The parents and kids enjoyed the night with some delicious pizza from General Public plus popcorn and drinks for the movie.

After its great success, we are hoping to put on another social night in December so stay tuned.

Surf Swimming Squad (U10's – 13's)

The first week of surf swimming squad started last Saturday at 9.30am at Sorrento Beach Shark Nets. We had a small group of keen swimmers who turned up and improved their racing skills. The Nippers learnt some race basics, like

when to stand when running up the beach, how to navigate the cans in a pack, and swimming in choppy water, they also had a lot of fun doing it.

All U10 – U13's are welcome to attend! Don't forget your Woodside Nipper fluoro vest!

Baby Nipper Information Night and Pack Collection (U6's – U7's)

This Friday (27 November) will be the **Baby Woodside Nipper** Info night and pack collection. Doors open at 5pm to collect packs. There will be a short information form to complete (different to the U9-13 form) before collecting your pack.

If you would like to collect a pack on someone else's behalf, please ask them to complete a form and give it to you as it requires a signature regarding the adult to nipper ratios.

You should have received an email from Christie Jones on 26/11/20 with the form attached regarding the pack collection.
