## SKI SCRIBBLES – Grant Stephenson

The **Scarboro Cup** was held in good conditions last Friday. First time competitor Gemma Etheridge had a convincing win after receiving a generous handicap. We won't make that mistake again though, well done Gemma!

The Cup will not be held this week as the Ski Trailer will be heading up to Lancelin with our fleet of plastic beginner skis to introduce the Under 14s to the joys of paddling. Wish us luck !

The expressions of interest for beginners / intermediate paddling classes have been very encouraging. So much so that we are looking at possibly doing two days weekly now. They would be on both Saturday and Sunday from 8 to 9am at the Club or Hillarys, with a variety of experienced Ski Squad paddlers taking the lessons. If you or your child is interested please contact me and I will keep you in the loop with details. At this stage we are planning on starting on **Saturday the 19th of December.**

Since starting the Club Gumtree page, I have sold about 12 surf skis for both the Club and private sellers. If you have a ski at home or in the racks that you would like to sell, and can price it accordingly, contact me. I will take some photos and place it on the site for you. The squad will take \$50 of the sale for our ski maintenance fund.

Once again ski squad training is on Tuesday and Thursday mornings at 5.30am. It has been beautiful out there lately and you are welcome to join us if you are ready for it.

See you on the water soon,

Grant Stephenson

The poster is split into two main color sections: teal on the left and yellow on the right. The teal section contains text about wearing boardies in the classroom and board room, and a graphic of two red board shorts hanging on a line. The yellow section features a 'boardies - day -' logo with a surfboard icon. A central image shows a surfer in a yellow shirt and red shorts riding a wave. At the bottom, a white seagull is on the teal background, and contact information is on the yellow background.

## BOATIES UPDATE

Last Sunday Scarborough hosted the Surf League and Round 2 of the Surf Boat Series. The carnival was live streamed and a spectacle. We started the morning with a tribute to Matiyas Bekuretsion by observing a minutes silence and everyone raising an oar. Soon after racing began. Changing up the racing format with a shorter race and a dry start and finish, often the races so tight coming down to the runner at the end.

We had 6 crews participating, with Scarborough making up 3 of the 6 boats in the Women's B final.

Lots of fun was had and some tight racing. The Sunsets have now qualified to participate in the State team selection carnival to be held in January so congratulations to them.

The event was really well run and a credit to everyone that worked behind the scenes to bring it to life. Thank you to everyone who played a role in making the carnival a success, there was plenty of positive feedback in the bar around how professionally and efficiently the carnival was run.

If you wish to catch up on the action from the weekend head to SLSWA Facebook page for the Live Stream.
