

Scarboro Surf Life Saving Club

“ECHO” CLUB NEWSLETTER

President’s Pen

Friday night saw our bar re-open to members and their guests with a good turnout to enjoy the amazing sunset and catch up with friends. The bar will be open as normal this Friday from 5pm with some of our Cadet & Youth members and their families heading down to wrap up their season and enjoy the facilities.

As soon as the capacity restrictions are lifted that currently apply under “[Level 1 measures](#)” we will be throwing open our doors for our end of season “thank yous” for our various volunteer groups after the success of these events last season. Keep an eye on the Echo and club social media accounts for updates on these events in due course.

With the launch of our [member engagement survey](#) last week the Board are keen to hear from our membership so if you haven’t yet done so then please complete the 3-minute survey online. We need to hear from a cross-section of our 1,400 members to ensure that the responses are truly reflective of our diverse membership.

As our summer season comes to a close our “off-season” activities kick into life. This weekend our IRB Racing Team head south for a training camp with some of the southern metro clubs ahead of their first carnival in late April. Our Sunday morning activities and canteen team are having a well-earned break with the 2022 Polar Bears Season and canteen re-opening on Sunday 24 April 2022, with the swim starting at 10am sharp.

For those looking for something other than IRBs or Polar Bears don’t forget the [Albany Surf Craft Challenge](#) on Sunday 5 June with events for surf boats, ski paddlers, and beach runners to join in.

See you down the beach over the coming weeks.

MEMBER ENGAGEMENT SURVEY – from the Board

The Board of Directors has commissioned the following short survey to gauge our member's engagement and to support us in the ongoing delivery of our "[Scarboro 100 Strategic Plan 2017-2028](#)". The survey should take approximately 3-minutes to complete and is open to all current Scarboro SLSC members.

[Scarboro Surf Life Saving Club Member Survey March 2022](#)

Following the Scarborough Foreshore Redevelopment and an ongoing period of unprecedented growth for the Club, we are continually faced with the challenge of meeting our members' needs as well as the expectations of the broader community in which we operate.

All responses are anonymous unless you choose to provide identifying information in the comments section at the end. The Board will be meeting in the off-season to consider the feedback received and review the next steps in the delivery of our strategic plan.

We thank you for your time in completing this survey.
