MEMBER ENGAGEMENT SURVEY – from the Board

The Board of Directors has commissioned the following short survey to gauge our member's engagement and to support us in the ongoing delivery of our "[Scarboro 100 Strategic Plan 2017-2028](#)". The survey should take approximately 3-minutes to complete and is open to all current Scarboro SLSC members.

[Scarboro Surf Life Saving Club Member Survey March 2022](#)

Following the Scarborough Foreshore Redevelopment and an ongoing period of unprecedented growth for the Club, we are continually faced with the challenge of meeting our members' needs as well as the expectations of the broader community in which we operate.

All responses are anonymous unless you choose to provide identifying information in the comments section at the end. The Board will be meeting in the off-season to consider the feedback received and review the next steps in the delivery of our strategic plan.

We thank you for your time in completing this survey

BEACH OPERATIONS DIRECTOR – Angus McMillan

Club Busy Bee

Date: Saturday 30/4/22

Time: 9:30am

Location: Meet in the gear shed

This Saturday we will be having a small club busy bee to get the gear ready for the off season. It will also give us a good chance to do a stocktake of what is currently in the sheds to prepare for next season and **Aussies 2023**. If you have an hour or two to spare, please meet in the gear shed as we will have a number of cleaning and admin jobs to be done.

See you there!
