Pictures from the photo booth and roving photographer are available online [here](#).

Despite a chilly breeze and a few foggy heads, we regrouped on the Nipper Lawn on Sunday morning where our surf sports trophies, Club Championships and summer points race winners were presented with their striking Scarboro Gold coloured towels. You will be able to spot a 2021/22 winner a mile off at the Club 😊

Speaking of surf sports if you are looking for something to have a go at and don't fancy IRBs or Pool Rescue then check out the [2022 Broome Sunset Challenge](#) in early July, a copy of the event program can be found [here](#).

Good luck to our members heading down to Albany over the long weekend to participate in the [2022 Albany Surf Craft Challenge](#) and for those staying locally enjoy the WA Day long weekend.

NOTICE of AGM

From The Board – Annual General Meeting 2022

Notice was recently issued to all members of our **Annual General Meeting** to be held at Scarborough SLSC, 163 The Esplanade, Scarborough on **Friday 1 July 2022 commencing at 6:00pm.**

Nominations have been called for Directors, Standing Committees, Club Officers and Notices of Motion as detailed in the [Notice of AGM 2022](#).

Members are advised that the Board has resolved to hold fees at the same level as last season and that memberships expire Thursday 30 June 2022. [Fees for the 2022/23 season](#) can be located on the Club website. All members remaining non-financial as at 30 June 2022 will have their access and use of Club facilities removed until such a time as they become financial for the 2022/23 season.

As a volunteer-run Club we depend on our members stepping forward to fulfil these Board and Club Officer positions so that we can run effectively as a Club. If you are interested in supporting the Club then position descriptions are available on the [Club website](#) and if you have any questions then please feel free to speak to a Board member.

Trophy Presentations

Last Sunday as an Annual Dinner recovery session we had our annual trophy presentations for our Club Champions, Perpetual Trophies and Points Scores. It was a nice winter morning, albeit with a cold wind, we had a reasonable turnout and celebrated everyone's achievements from last season which was great. We also have some photos from the morning of our trophy winners and their bright yellow towels. For anyone that could not make it you should have had an email from Sharon and can pick your towels up from the office during the week and on some Sunday mornings.

Training Opportunities in Winter

Our winter board and ski training on the river will be commencing in July, so keep an eye out on the Echo for all the details of the start date and get your wetsuits ready.

Also, there are winter running sessions with Jose on Monday, Wednesday, and Friday mornings, these are open to all members and Jose will tailor the session to suit everyone, so everyone can start and finish together as a group. Assemble at 5.20am for a 5.30 start and will run to 6.30. These sessions are great for sprint strength and

general strength and conditioning to keep up your fitness over winter. Every session is different and the more the merrier.

We are also preparing to run some gym strength and conditioning sessions and will release details of these soon.

Also don't forget Sunday mornings: 9am soft sand run followed by the Polar Bears swim, then hot coffee and sausage rolls, see you on the beach 😊

POOL RESCUE – Nicole Tolev

Our next training session is **Sunday 12 June at 11 am.**

The next carnival is **Sunday 19 June** (there may be 2 carnivals that day ...watch this space...)

States are on 23/24 July and if there is interest we may sort some holiday clinics... with a social gathering attached.

Remember ... everyone is welcome to one, some or all of the training and carnivals.

Expressions of Interest – Coaching Positions

Scarboro Surf Life Saving Club is seeking expressions of interest from Coaches who would be available to develop programs and run coaching sessions for our older Nippers through to Open competitors.

Scarboro has always been a strong club in Masters Competition, IRB's and our core role of Surf Lifesaving Patrols but we want to make sure that we can develop our Nippers through to Open competitors as we move into our 100th year.

We envisage that these roles would support our overall strategic plan which is as follows:

Sub-themes

1. Successful program for athlete and coach development and participation

Outcomes

- 1.1 Support for up and coming athletes
- 1.2 Program to support and develop club coaches
- 1.3 Identify available competition pathways to increase the Club's participation and performance
- 1.4 Relevant facilities and gear to facilitate athlete development
- 1.5 Talent ID program

We have some really strong nippers coming up through the ranks and we would like to be able to keep them in the Club and develop teams around them. Our focus will be on increasing participation with a view to improved competition success in future years in both the water and beach arenas.

The ideal applicant/s will have a surf sports background, with level 2 or 3 coaching accreditation preferred. The KPI's will be developed with the applicant but will include: regular and consistent training sessions for all members; structured programs provided to all competitors that enhance their development; that the club finishes higher in the senior (and nippers) state titles point score next season; and increased participation at all carnivals by all age groups including team participation.
