## “ECHO” CLUB NEWSLETTER

### PRESIDENT’S PEN – Jody Ballard

Saturday saw us head off to the SLSWA Nipper & Youth Awards with Max, Riley and Finn, it was great to see our up coming athletes and leaders being recognised by the organisation. Congratulations again to them all on their outstanding achievements this season.

Despite the best attempts of Cyclone Seroja to disrupt the start of our 57<sup>th</sup> Polar Bears swim season it was not to be with near glass-like conditions for the first swim of 2021. Brain Hall had

them all whipped into shape on the start line, however, our females clearly showed who rules the waves with them taking out almost the entire top 10 at the finish! I wonder what handicaps Brian will have in store for everyone this Sunday?

We are having a bit of tidy up around the Club starting with our Busy Bee this Sunday at 9am for those who can spare a few hours to help it would be much appreciated. The team in the office have also been doing their part and have unearthed several Bronze Medallion and other award certificates, alongside Woodside Nipper certificates too. If you or your child is missing an award or certificate then please head on down to the office and see Trina or Sharon over the coming weeks to collect them.

Formal notice will be issued for the below events in due course, however, in the meantime save the dates:

- Saturday 29 May – Club Annual Dinner & Awards Night
- Friday 2 July – Club Annual General Meeting & Member Forum

See you down the Club on Sunday

# POOL RESCUE – Pool Captain

Polish off those fins!  
Untangle the ropes!  
Hug a dive brick or towing manikin!  
And get ready for some Pool Rescue fun.

The **Pool Rescue** season is nearly here and planning for Scarborough is well underway.

We are calling Nippers (from u10s), Youth Members, Seniors and Masters competitors to all join in, learn and share your skills and be part of the Scarborough Pool Rescue team. It is a great way to stay connected over the winter, stay fit and healthy... and the season is short and sharp.

Although we are waiting for dates from SLSWA for the State Titles we have some plans already in place.

Training (come to one, some or all!)

This season we will be training as one squad. There will be a couple of different coaches to help out. We have lanes booked at **Scarborough Pool at 11AM** on the following Sundays.

- April 25
- May 9
- May 16
- May 23
- May 30

There is no training on **May 2** as Royal Lifesaving are holding an introduction/ participation event at **HBF stadium** that afternoon from **2pm to 4.30pm** and we encourage people to attend that. (More details will follow when we have them.)

I look forward to seeing you at as many sessions as you can.
