"ECHO" CLUB NEWSLETTER

PRESIDENT'S PEN – Jody Ballard

Last Friday saw the Board take over the Club Bar and give Matt our Bar Manager and his hard-working volunteers a night off to enjoy themselves. Despite the cold weather, the Club Bar was busy throughout the evening as members enjoyed another fantastic sunset with paella available too. Keep an eye out for our next food and social night at the Club later in July.

With the cancellation of the Pool Rescue Championships due to event restrictions, Nicole Tolev and her team had to head home early but not before they had done Team Scarboro proud placing 5th overall in the rankings with 15 Golds, 3 Silvers, and 11 Bronze medals in their haul! Well done Nicole and team.

At present, the Club remains closed as detailed below and the Board will review any update to this when relevant advice is issued from the WA Government. We will re-open areas as soon as we can based on the requirements and advice received.

- Office - closed until Monday 5 July, except for phone and email enquiries
- Annual General Meeting – postponed until Friday 16 July
- Bar - closed Friday 2 July, reopening Friday 9 July at this stage
- Gym - closed until Saturday 3 July, at this stage
- Gear Sheds - masks are mandatory in this area, access to personal gear will remain available during lockdown to support the permitted "one hour of outdoor exercise per day"
- Polar Bears - Sunday 4 July, no impact at this stage
- Canteen - Sunday 4 July, no impact at this stage
- Club training activities e.g. surf boats, ski squad, fitness - cancelled until Saturday 3 July, at this stage

Club Membership & Access Expiry

Club access has been removed for all non-financial members, so if your fob band isn't working it's a sign that you need to renew your membership, it's also a sign that you shouldn't be using Club amenities. Details on how to renew online can be found on our [TeamApp](#) or by logging into the [SLSA Members Area](#).

Stay safe and I'll see you down the beach after lockdown.

POOL RESCUE STATES – Nicole Tolev

26 & 27 June 2021

After a short and busy Pool Rescue Season our talented group of Pool Lifesavers headed to HBF Arena for the states weekend. This is an event held over 2 days, so you not only have to sprint, throw, tow and carry things all day Saturday, you need to regroup and do it again on Sunday! The Scarborough contingent was one of the smallest clubs competing (with 14 team members on the weekend) but definitely the best (loudest?) team supporters. We finished a very credible 5th overall, despite having many of our relay teams cancelled before the event and on the Sunday when we had sudden finish to the event due to COVID19 restrictions coming into place.

Our younger nipper lifesavers, all in their first Pool Rescue State titles, were outstanding with their skills, determination and effort. Every single one of them came home with a well deserved medal, a giant smile and some great memories of competing as part of a team. Some of them aged me significantly with their line throws and other near misses followed by spectacular recoveries...Well done to all of you! (Max, Bodhi, Xavier, Owen, Nick, Finn, Rebecca, Jessica, Lila and Piper...it has been a pleasure and a joy working with you this season and I can't WAIT until next year!)

Our u14 girls were a little disappointed to start with as their relays were cancelled before the event. After your training and skills practice this was a horrible blow but Amelie, Tamara and Lily... I love how you regrouped and gave everything you could a red hot go. You all earned multiple points for our team and were fabulous competitors.

The leading lady of our team was Morgan. (insert multiple compliments about her results here and adoration of her silky smooth lifesaving skills) Morgan also answered questions from the group, handled manikins for our younger competitors and was a sensational role model for our team. We look forward to seeing her on the National stage in August!

None of any of the above is possible without a giant support crew.

Thank you to Trina and Sharon in the office... Quietly sorting out admin for us in the background.

Thanks parents, for your support, bringing the kids to training, finding the goggles and caps, timekeeping and overall positivity.

Top job to Todd, Heath, George and Riley for pool setting, probably the toughest job all weekend.

Warren, we appreciate your expert coaching advice and tips, especially when you get to the right pool at the right time!

Todd, Sonia and Morgan... what a family of manikin handlers ... thanks.

Thanks Belinda, we missed you this season, glad to have you well and back on pool deck on Sunday.

Thanks George, for officiating for us all weekend.

Thanks Lily and Riley – great to see our Youth Officials doing their bit and helping the club with timekeeping.

The Pool Rescue adventure was fun this year... But will be even better next season...

What's next?

Holidays and some time to relax... but rest assured ... if there are any pool rescue competitions ... Scarborough will be there. Royal Lifesaving WA are holding an event in September... Updates closer to the date will follow.

SKI SCRIBBLES – Grant Stephenson

Last Sunday we saw 6 paddlers on the water at Peppermint Grove with Gambo taking the lead. Even though it was blustery we were able to find calm water next to Claremont Yacht Club.

With some luck, lockdown will be lifted and we will be able to paddle on Sunday so see you all there!

A few things to remember:

- Your ski needs to be on the trailer by 2.00pm Sunday
- Club skis will be taken for those who do not have one and plastics for new starters.
- We will be catering for both experienced and beginner paddlers
- **Hi Vis is required.**
- Bring a thermos and a snack to share
- Warm clothes, jacket

Please let me know if you require more information.

POLAR BEARS – Tanya Channell

Thank you to the IRB team for our Water Safety on Sundays

Don't forget if you are rostered on for your Polar Bears Water Safety it is important that you turn up or arrange a proxy so last minute arrangements don't need to be made.

You will need to arrange a crewperson to assist you. The good news is both you and your crew get Janet's sausage rolls and a hot drink at the end.

Swim starts at 10am so set-up required by 9.30am.

Hope to see you all on the beach on a lockdown free Sunday 😊 and not 😞

The roster for **July** is as follows:

4 July 2021	Henry Irwin
11 July 2021	Lucie Jones
18 July 2021	Annie Kinsella
25 July 2021	Luke Laycock
