“ECHO” CLUB NEWSLETTER

PRESIDENT'S PEN – Jody Ballard

COVID-19 update

With the current requirements to provide seated table service in bars, we have opted to remain **closed this Friday night** with the bar re-opening Friday 16 July after the Annual General Meeting for drinks and refreshments for those in attendance. As much as we love our members, providing a seated at table bar service was going a bit too far for our bar volunteers to manage 😊

Except for the bar and the ongoing requirement to wear masks when inside our premises and outside if you cannot socially distance things are now pretty much back to normal at the Club. Please remember tag in when entering the Club at beach level or scan in on the SafeWA app upstairs so that we are compliant with the ongoing requirements to keep records of who has been at the Club and when. Let's hope this is the last lockdown for a while.

Doing the right thing, digitally!

To date, 12% of our members have renewed for the season ahead and what's even better is that over half of those completed the process online saving the Club time and money by doing so, so thank you. For those members still to renew we encourage you to jump online to the [SLSA Members Area](#) where you can complete the end-to-end process, including payment in a matter of minutes, along with updating any of your membership details at the same time.

We have kept our fees for the 2021/22 season flat again, representing excellent value to our members, if you need to find them they are located on the [Club website](#).

If you are planning on attending the AGM please ensure that you have completed your renewal either online or via the office, before 5pm Thursday 15th July to be eligible to vote.

Annual Report & Accounts

The production of this has been slightly delayed, however, it will be available electronically over the weekend, keep an eye open for a notification in your inbox in due course.

Western Suns Pool Rescue Championships

Congratulations to **Morgan Knox** on being selected to represent WA at the upcoming National Pool Rescue Championships in the Gold Coast from 6-8 August, good luck.

See you down the beach between the storms!

CODE OF CONDUCT

Respect

One of the key components of the Club's Code of Conduct is "Respect". We demonstrate tolerance and respect for our members and our wider community.

Our code asks us to respect the rights, dignity and worth of others – treat others as you would like to be treated and to understand the possible consequences of breaching our code.

All members are required to keep a civil tone when communicating with others – whether orally, or electronically by text message or email. Incidents of disrespect are reportable offences under the Club's Member Protection Policy.

BAR ROSTER 2021 – Matt Ewart

The bar is NOT open this Friday night, 9th July, due to COVID-19 restrictions. We hope to see you back here next week! Remember it is the AGM – this means the bar is closed to Social and Non Members.

Everyone is welcome at the Bar on Friday evenings for a relaxing drink as the sun goes down. Remember you are also welcome to **sign in up to five guests** with your membership, bring a platter to share amongst yourselves or order food from the many local restaurants at Scarborough.

We would love to see you here 😊

SKI SCRIBBLES – Grant Stephenson

Well, COVID-19 got us again last week and we could not paddle as a group, but hopefully we will see you all at Peppy Grove this Sunday ready to paddle, 3.00pm on the water.

A few things to remember:

- Your ski needs to be on the trailer by 2.00pm Sunday
- Club skis will be taken for those who do not have one and plastics for new starters.
- We will be catering for both experienced and beginner paddlers
- **Hi Vis is required.**
- Bring a thermos and a snack to share
- Warm clothes, jacket

Please let me know if you require more information.

POLAR BEARS – Tanya Channell

Thank you to the IRB team for our Water Safety on Sundays

A **HUGE THANKYOU** to Harlan Mullins for foregoing his swim to do water safety. I think that deserves full points for the day as it was his conditions and surely a guaranteed win! Also a huge thanks to Peter Hilgendorf for being on hand to set up and drive the IRB.

Don't forget if you are rostered on for your Polar Bears Water Safety, it is important that you turn up or arrange a proxy so last minute arrangements don't need to be made.

You will need to arrange a crewperson to assist you also. The good news is both you and your crew get Janet's sausage rolls and a hot drink at the end.

Swim starts at **10am** so set-up required by **9.30am**.

The roster for **July** is as follows:

11 July 2021	Lucie Jones
18 July 2021	Annie Kinsella
25 July 2021	Luke Laycock
01 August 2021	Taniesha Lincoln
08 August 2021	James Marais
15 August 2021	Ella McCullagh
22 August 2021	Hannah Plummer
29 August 2021	Joshua Snook

LANCELIN REQUALS – Michele Bistrup

We are currently looking at running another requal at Lancelin in September, probably the weekend of the 11th and 12th.

Everyone is welcome to attend.

Last year's requal was a great success in getting quite a few Members requalified before the start of the season and this took quite a bit of pressure off the Education Officer and Trainers, not to mention a great weekend.

All gear is taken up and Trainers and assessors are there to run the course.

Requal will be at 10.00am Saturday 11th and quite possibly another on Sunday morning for those that cannot make it on Saturday.

Late breakfast or early lunch is usually had after the requal at Willo's and Sunday lunch is usually spent together as well.

More details in regard to food later.

Accommodation is up to the individual but it has been mentioned that a contact for short term accommodation may be forthcoming.

Day trippers are more than welcome as it is only one and a half hours from Perth.

More information to follow in the coming weeks and remember to save the date 11th&12th September
